Dear Hiring Manager,

I am writing to apply for the Cook / Kitchen Manager position.

I bring over four years of experience in high-volume resort kitchens, including preparing staff meals, training new team members, and coordinating with stewardship to maintain full health and safety compliance. I currently work at Grand Bahia in Runaway Bay, where I also support station efficiency, knife safety, and plating consistency.

I am a certified food handler with strong leadership and time-management skills, and I would welcome the opportunity to contribute to your kitchen team.

Thank you for your consideration.

Sincerely,

Steve Chambers
